Sir:

The enclosed file history is being submitted in response to a telephone call from Leland Watkins, employee of the USPTO on April 20, 2007. In that telephone call, Examiner Bashore stated that the Office had not received, or could not locate, our Second Submission - Reconstruction of File mailed February 23, 2007 and September 27, 2006 in response to a Notice under 37 C.F.R. 1.251 sent by the Office on July 10, 2006 requesting assistance in reconstructing the file of this application. Counsel for Applicants informed Examiner Bashore that a response, which included a copy of the Applicants' file, had indeed been filed (see below). Examiner Bashore asked that a third response be filed so that examination of the file could resume.

Accordingly, Applicants are resubmitting copies of the following correspondence to reconstruct the file. Note that item nos. 34 & 36 contain a copy of the responses to the Notice under 37 C.F.R. 1.251, as well as copy of a return postcard for that response which indicates via OIPE stamp that the timely response was received on September 27, 2006 and February 23, 2007 respectively by the Office.
